To
All the Esteemed CSI members

Dear all,

It is time for all of us to reconsider of Ego and make CSI rise again.

1. The last legal election to CSI was conducted in March 2018 where Sri. Gautam Mahapatra was elected as President CSI.
2. We had complaints and replies and legal battles for 3 years and under the instructions of Court conducted elections supervised by a Prothonotary on 31-01-2021
3. We were elected on 31-01-2021 at the AGM at Hyderabad where validated 7495 members chose us on the democratic front.
4. Later our seniors on different pretext extended the legal battle and brought a Three member committee (TMC) to conduct elections.
5. The TMC tried there best to make the database cleaned to conduct elections but the same seniors are extending the legal battle as the procedures followed by TMC are flawed and feel the solution is very far in time lines
6. The CSI Constitution clearly indicates that the existing body continues till the new body takes over, and we have a EC and a Nominations committee that can conduct elections
7. The employees at so called HQ and ED are enjoying salaries without work and damaging CSI burning the resources of CSI
8. The GST is not working making all chapters suffer
9. I am enclosing the analysis of the CSI database for your perusal and request you all to update your details at our site www.csiindia.org
10. If the Information available is not correct a updating mechanism is made with OTP verification for mail and mobile number.

This will make the chapters to work effectively to run CSI meet its Vision fulfilled as the operations of CSI membership etc are automated with a perfect SOP

We are sending this mail to all members using a Push mail mechanism for verification and data correction.

Regards

Raju L Kanchibhotla
Secretary, CSI
